

IRT PROGRAM

INTERDISCIPLINARY RESEARCH TEAMS

ABOUT THE PROGRAM

The Interdisciplinary Research Teams (IRT) program allows graduate students to mentor undergraduate students in a project setting. Students are encouraged to work collaboratively bringing their interests and experience from multiple disciplines to be applied to solve problems.

Calit2 has partnered with UROP to provide funding of up to **\$3,000** for team projects that are interdisciplinary in nature and led by one graduate student and 2-4 undergraduate students. Awards will provide research-related supplies to teams during the Winter and Spring quarters of the year.

STEP 1 ARE YOU ELIGIBLE?

- Must be part of a graduate and undergraduate student team working on a project that is interdisciplinary in nature
- Must be a current UCI student through at least spring quarter 2024
- Graduate students must have UCI Faculty Advisor and departmental approval
- Undergraduate students must be from at least two different schools, or two different departments within a school. Preference is given to teams with students from different schools.
- Maximum of one award per team. Each student is allowed to be on one team only.

STEP 2 PROPOSAL GUIDELINES

Your application must include the following :

- Proposal
- Personal Statement
- Faculty Mentor Agreement Form
